Billboard Tax Survey
Data Tables, Weighted**

Date: November 27, 2009

Target Population: Greater Toronto Area (GTA)

Sample: Toronto only (n=702) (MOE: +/- 3.7; 19 times out of 20)

Field Dates: November 23rd to 26th

Method: Probit Hybrid (Telephone and Online)

By December 1st, Toronto city councillors will vote on a billboard tax to fund art in public spaces. The tax being considered would be charged to billboard advertising companies. Revenue will be used to fund the enforcement of billboard bylaws as well as investments in art in public spaces and other initiatives to beautify the city (e.g., festivals, public art, murals).

How strongly do you support or oppose this billboard tax?

	Total	QBILL1: Do you support or oppose this billboard tax?			QBILL2: More or less likely to support the tax?			QBILL3: Making Toronto a more attractive destination			MAY1: Vote in the 2006 election?

The proposal before Toronto city council specifically targets the tax revenue to be invested in art in public spaces and other measures to beautify Toronto.

If the provision to invest billboard tax revenues in art in public spaces were dropped and went instead into general revenues to be used for any purpose, would you be more or less likely to support the tax?

To what extent do you agree or disagree with the following statement?
Government investment in arts in public spaces and other forms of city beautification improve the local economy by, for example, making Toronto a more attractive tourist destination or encouraging residents to go out more often.

Billboard Tax Survey
Data Tables, Weighted**

Date: November 27, 2009

Target Population: Greater Toronto Area (GTA)

Sample: Toronto only (n=702) (MOE: +/- 3.7; 19 times out of 20)

Field Dates: November 23rd to 26th

Method: Probit Hybrid (Telephone and Online)

By December 1st, Toronto city councillors will vote on a billboard tax to fund art in public spaces. The tax being considered would be charged to billboard advertising companies. Revenue will be used to fund the enforcement of billboard bylaws as well as investments in art in public spaces and other initiatives to beautify the city (e.g., festivals, public art, murals).

How strongly do you support or oppose this billboard tax?

To what extent do you agree or disagree with the following statement?
Government investment in arts in public spaces and other forms of city beautification improve the local economy by, for example, making Toronto a more attractive tourist destination or encouraging residents to go out more often.

	Total	QBILL1: Do you support or oppose this billboard tax?			QBILL2: More or less likely to support the tax?			QBILL3: Making Toronto a more attractive destination			MAY1: Vote in the 2006 election?

THE EVOLUTION OF PANEL RESEARCH

by

**BeautifulCity.ca
Billboard Tax Survey
Data Tables, Weighted**

Date: November 27, 2009

Target Population: Greater Toronto Area (GTA)

Sample: Toronto only (n=702) (MOE: +/- 3.7; 19 times out of 20)

Field Dates: November 23rd to 26th

Method: Probit Hybrid (Telephone and Online)

By December 1st, Toronto city councillors will vote on a billboard tax to fund art in public spaces. The tax being considered would be charged to billboard advertising companies. Revenue will be used to fund the enforcement of billboard bylaws as well as investments in art in public spaces and other initiatives to beautify the city (e.g., festivals, public art, murals).

How strongly do you support or oppose this billboard tax?

	Total	QBILL1: Do you support or oppose this billboard tax?			QBILL2: More or less likely to support the tax?			QBILL3: Making Toronto a more attractive destination			MAY1: Vote in the 2006 election?

To what extent do you agree or disagree with the following statement?
Government investment in arts in public spaces and other forms of city beautification improve the local economy by, for example, making Toronto a more attractive tourist destination or encouraging residents to go out more often.

THE EVOLUTION OF PANEL RESEARCH

by

**BeautifulCity.ca
Billboard Tax Survey
Data Tables, Weighted**

Date: November 27, 2009

Target Population: Greater Toronto Area (GTA)

Sample: Toronto only (n=702) (MOE: +/- 3.7; 19 times out of 20)

Field Dates: November 23rd to 26th

Method: Probit Hybrid (Telephone and Online)

By December 1st, Toronto city councillors will vote on a billboard tax to fund art in public spaces. The tax being considered would be charged to billboard advertising companies. Revenue will be used to fund the enforcement of billboard bylaws as well as investments in art in public spaces and other initiatives to beautify the city (e.g., festivals, public art, murals).

How strongly do you support or oppose this billboard tax?

	Total	QBILL1: Do you support or oppose this billboard tax?			QBILL2: More or less likely to support the tax?			QBILL3: Making Toronto a more attractive destination			MAY1: Vote in the 2006 election?

To what extent do you agree or disagree with the following statement?
Government investment in arts in public spaces and other forms of city beautification improve the local economy by, for example, making Toronto a more attractive tourist destination or encouraging residents to go out more often.

	Total	QBILL1: Do you support or oppose this billboard tax?			QBILL2: More or less likely to support the tax?			QBILL3: Making Toronto a more attractive destination			MAY1: Vote in the 2006 election?
